Mina

**The wall light model is available in two sizes: ø17 and ø20cm.**

What sets this light fixture apart is that when lit, it gently casts its colors on the wall against which it is installed while subtly illuminating the room. It will fit well in a living room, above a kitchen countertop, or on both sides of a bed in a bedroom.

Textile cable with optional switch and plug: 2m
To be used with an **LED E14** bulb.

3D printed in Paris using **rPETG** made from recycled plastic bottles and **rPLA** made from recycled food packaging.
